

Embedding a YouTube Video via the Add Content Button

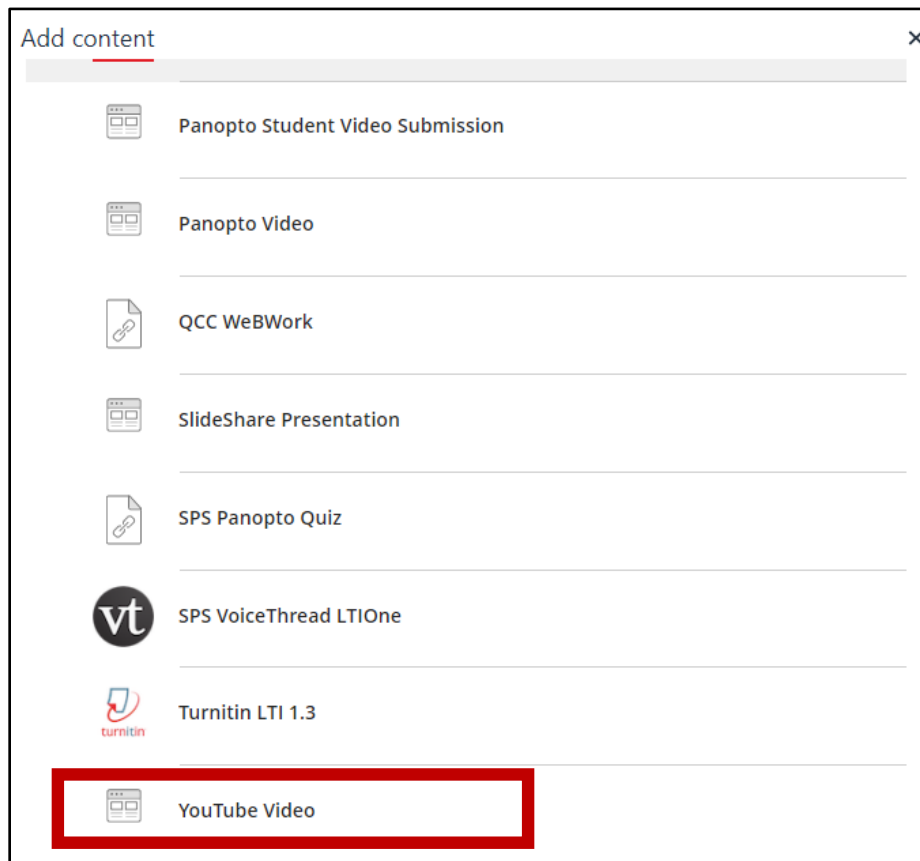

This guide will cover how to embed a YouTube video into your Blackboard course through the Add Content area of the text editor.

Step 1: Create or Edit any item type within Blackboard that utilizes a content editor (ex: Announcements, Discussions, Content Items, etc.).

Step 2: In the content editor, select the More icon (three ellipses) to expand the full toolbar and then select the Add Content icon, which looks like a circle with a plus symbol in it.

Step 3: Select YouTube Video from the Add Content menu.

Step 4: In the Search bar enter the YouTube link to the video and select Go.
